Dear Colleague

### **INVITATION TO APPLY FOR MEMBERSHIP OF STRATHCLYDE POLICE RECREATION ASSOCIATION**

It gives me much pleasure in extending to you a sincere and warm welcome on your employment with Strathclyde Police and to personally invite you to make application for membership of the Strathclyde Police Recreation Association

Strathclyde Police has many fine traditions and an outstanding reputation which extends beyond the efficient and professional approach to police duties into the area of sport and recreational pursuits as organised under the auspices of the Force's Recreation Association.

The Association, while an independent and self-funding body, plays an important role within the structure of the Force. Its activities are many and varied, ranging from the provision of recreational and welfare equipment within police offices to generous financial support given to Divisions and recognised Sections' as well as to individual members. This level of support is amply reflected in the numerous and distinguished honours gained by members over a broad spectrum of sporting activities.

The cost of membership is deducted directly from pay. Currently the rates are £7.10 per month. Membership permits the full use of all the Association's facilities throughout the Force area, with reciprocal arrangements with Police Forces throughout the United Kingdom; the right to participate in the organised activities of the 37 "recognised Sections" (catering for a total of 34 sports/pastimes) and access to its Registered Social Club. A list of the "Recognised Sections" is included with the Application Form which accompanies this letter.

I look forward to receiving your Membership Application to join the Strathclyde Police Recreation Association and further to the opportunity of meeting you in person in order to provide more detailed information of the benefits to be gained as a Member.

Yours sincerely

Brian F McKelvie
